

Beekeeping for Beginners

Saturday, March 12 & 26, 2016

10:00 AM – 11:30 AM

Have you ever considered starting your own hive? Join representatives from the Ark-La-Tex Beekeepers for their **free** introductory classes that will equip you with knowledge needed to start your own hive! You'll learn about beekeeping equipment, bee biology, and how to set up a hive in this informal 2-part class.

If you have questions about the class, email Bob Griffin at we4griff@gmail.com.

Classes will meet at the Red River National Wildlife Refuge Education Building at 150 Eagle Bend Point, Bossier City, LA 71112.
